Republic of Slovenia in collaboration with European commission, partner countries and organizations is glad to invite you to attend and participate actively on regional conference:

SEE²: SCALING UP SOCIAL ECONOMY ENTERPRISES IN SOUTH EAST EUROPE

24. – 25. April 2017
Brdo Congress Centre, Ljubljana – Slovenia

The main purpose of the conference is to boost social economy enterprises in the South East Europe (SEE) region countries: Slovenia, Croatia, Greece, Bosnia and Herzegovina, Montenegro, Serbia, Kosovo, Former Yugoslav Republic of Macedonia, Albania, Romania and Bulgaria. It provides a platform for exchange of public and private experiences across Europe for development of social economy enterprises in SEE, for establishing links and a common strategy of the region.

This unique event deals with the following horizontal issues:

- Promoting European values through partnerships and social economy;
- Promoting social inclusion and jobs creation through partnerships and social economy;
- Promoting bottom up creation of regional networks through development cooperation programmes and IPA in case of candidate countries and EU sources of financing – particularly how to better use European Structural and Investment Funds to develop social entrepreneurship and social economy as whole.

The conference will operate on both top-down and bottom-up levels: firstly to create and develop synergies between States, local authorities and social economy actors; and secondly to boost social economy enterprises and identification and anticipation of their needs on the decision making policy levels. The final goal of the conference is to create a mid-term plan for boosting social economy enterprises in SEE. Participation on the conference is free of charge, you can register online [HERE](#).

Registration is available NOW and will be closed on 15th of April 2017. Get your free ticket today!

The event will take place in Brdo Congress Centre, Predoslje 39, 4000 Kranj, 15 min from Ljubljana city centre, however, we advise to make reservation of accommodation in Ljubljana since the conference bus shuttle will be organized and networking events will take place in Ljubljana.

Welcome to **SLOVENIA** !
