residents' private homes

The consequences of war

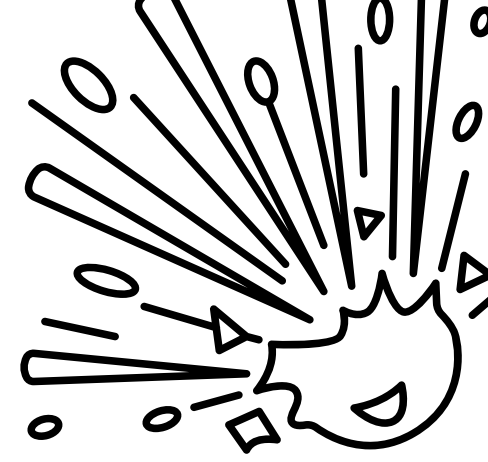

The consequences of war

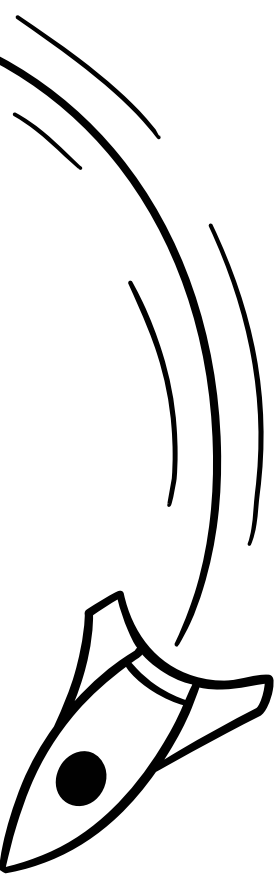

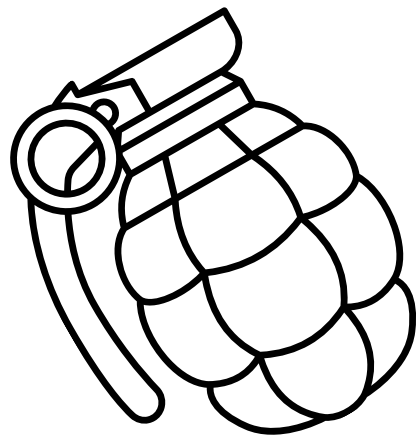

Destruction of the premises of
the village council

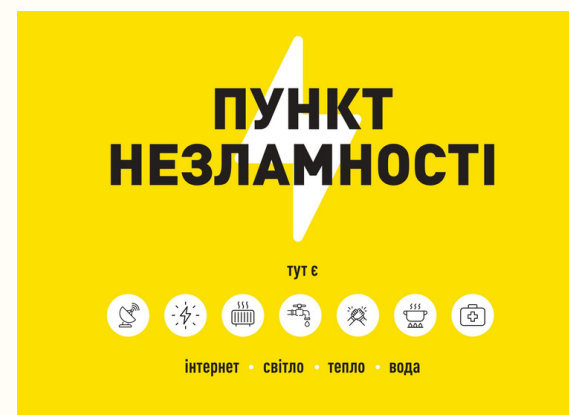

Due to massive rocket attacks, the following objects were destroyed:

- private enterprises
- airdrome
- educational establishments
- premises of the village council
- private houses of local residents

Places of invincibility

There are 4 so-called places of invincibility in our community. These are specially equipped premises where local residents can charge their gadgets, warm up, taste hot drinks in case of black out.

Our needs:

- generators
- mobile charging stations
- electric kettles
- blankets
- thermos

Sanatorium Roscha

More than 250 refugees have found their shelter in sanatorium. These are people who have lost everything including their homes. People live here absolutely free of charge and

full boarded.

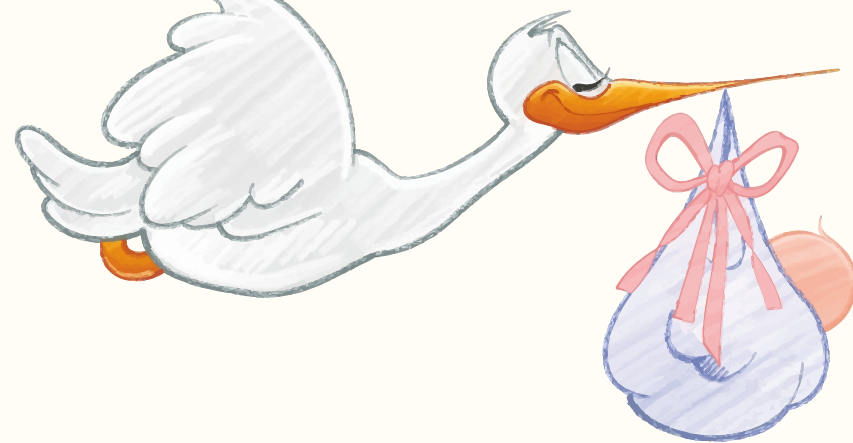

Support of citizens

Families with newborns

Distribution of baby diapers and supplements for families raising children aged 0-24 months has been organized from the very first days of war.

One family can receive assistance once every two weeks.

The total number of families on service is 517

Our needs:

- Baby dipers size 3,4,5,6
- hygienic sets for babies and mothers

Elderly people

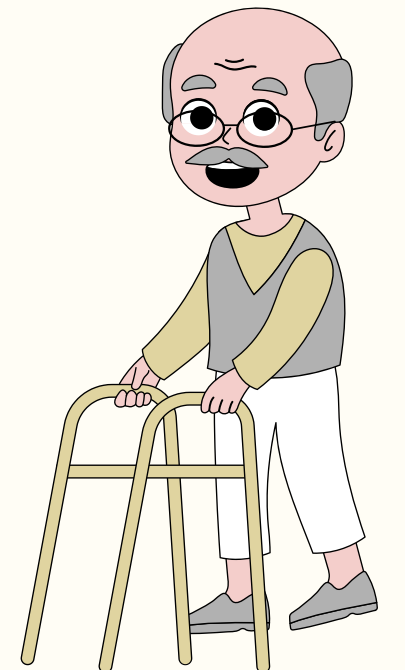

More than 7,000 people over 60 live on the territory of the community, most of them are left alone, without relatives.

Almost monthly assistance to single pensioners has been organized from the very first days of the war till now.

Our needs:

- Diapers for elderly people (size l-xl)
- food kits
- hygienic kits

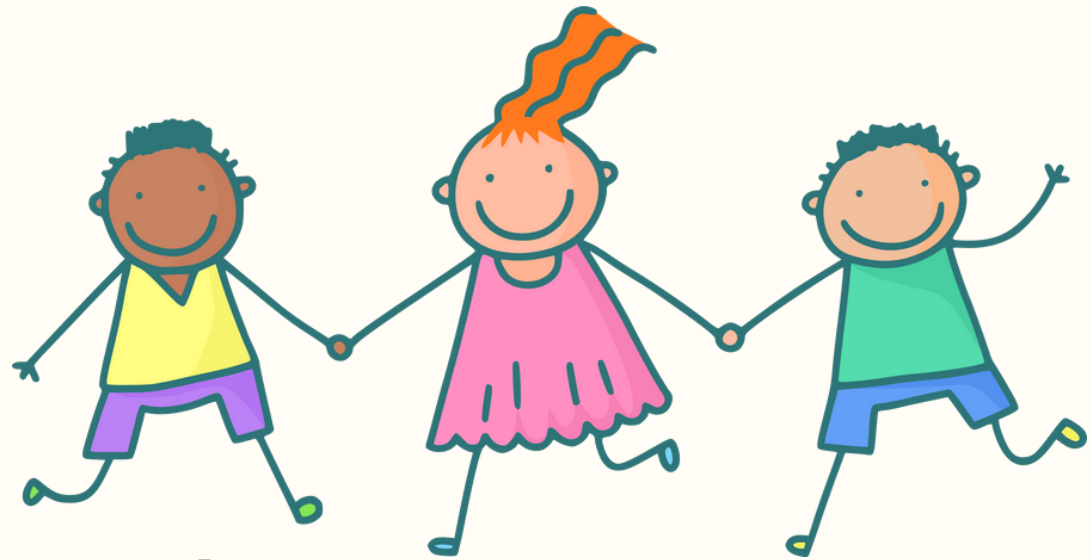

Distribution of humanitarian aid

Toddlers

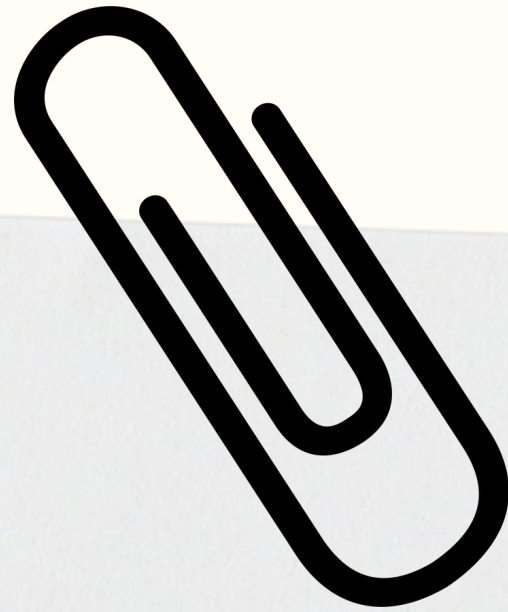

More than 4,000 children aged 0-18 live on the territory of the community, more than 100 families of which are children that live under difficult living conditions and need constant support

Our needs:

- food
- clothes
- hygienic kits
- medicines

*Thank you for your attention. Your support
really matters.*
