pleasant good for spending time beautiful
very calm very calm

Calm environment, nice nature, cool institution,
fresh air. Lovely place for mindfulness.

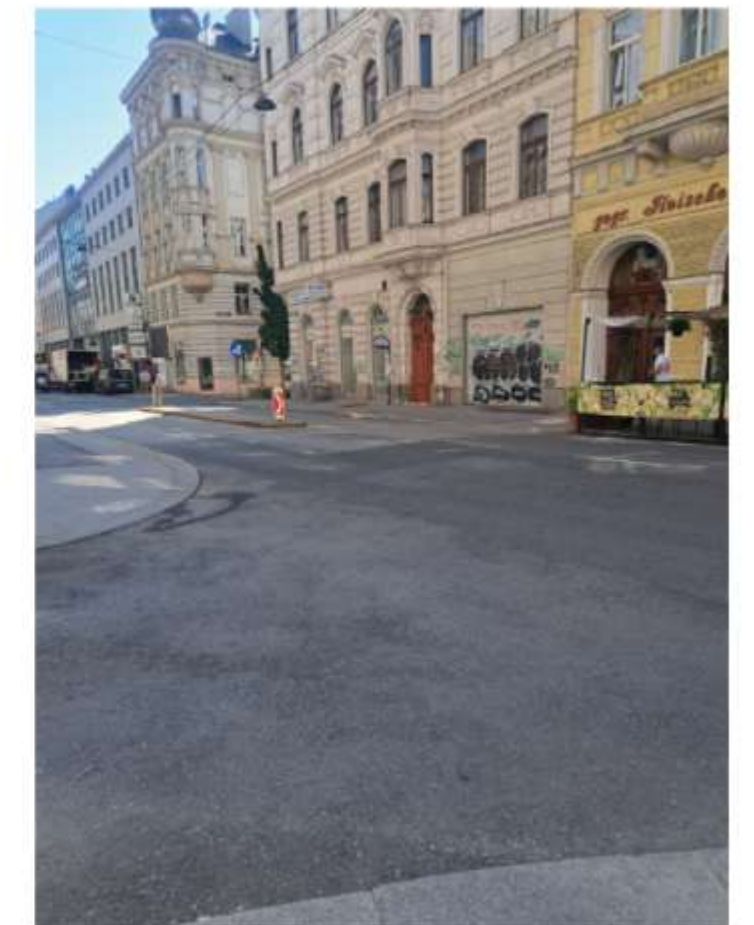

I would add more flowers to make it feel less
depressing.

Your opinion:

gefährlich zu laut unbequem
schwierig für Menschen mit Behinderungen
keine Aktivitäten sicher in der Nacht

Sehr laut, viele Autos, Bus fährt hier viel,
ampeln=Stau, viele Fußgänger, lange Straße,
viele Geschäfte und Restaurants

Mehr bänke und sitzmöglichkeiten, mehr Schutz
vor Sonne, weniger Autos,
